Gary Hovey,

Over the past three years City Core Catering has developed a great relationship with Canadian Linen. Canadian Linen is currently the linen provider for City Core Catering. Through this relationship City Core Catering has had the opportunity to provide catering services for Canadian Linen. Both our Christmas staff lunches and driver dinners have always been fantastic. Gary has always provided friendly and enthusiastic service. The food is always fresh and hot, with a great variety to accommodate everyone. I am sure that we will continue this relationship in years to come.
