

Dear Katie and Gary,

I wanted to take some time to write you and thank you for the delicious food and wonderful service for our wedding. Katie the decorations were beautiful and the arrangement of the reception room exceeded my expectations. Also the bartender service was super! She was really friendly and I don't know how many special requests she filled but I think it was a lot.

The food, what can I say it was amazing!!!! I think everyone there, including me in my white dress, went for seconds. I can't tell you how many people told me how good the food was. We really enjoyed it, my favourite was the salmon dish. It was completely delicious and was also really perfect since it was a taste of B.C. for our out of town guests.

Thank you once again and if you should ever need a referral please let me (us) know.

Best regards,

Mary and Rene Loftus
